Dear Al;

I am writing to you to extend our thanks for coming to the SVAC meeting and presenting to our group on the Military Family Story project.

We also want to acknowledge the 378 donation subscriptions you distributed to our group of veterans organizations. I trust that these will be used to allow veterans around the state to tell their story and leave a lasting legacy for their loved ones.

Thank you for your generous donation and for providing such an invaluable service to our veterans.

Sincerely,

David J. Kenney

Chairman, SVAC
