Concord NH 03302-0955

The New Hampshire Veterans of Foreign Wars (VFW) are extremely proud to endorse the Voice Libraries **Military Families Story Project**.

The VFW's mission is to advocate on behalf of Veterans and the Military, part of that mission is to collaborate with companies that will help us do that. This project will help keep Military memories/stories alive for future generations and it will assist our young current warriors in maintaining a presence in their Families lives while being deployed with a story for their children or words from home.

We highly encourage any Veterans or Military members to take advantage of this project.

Kindest Regards,

A handwritten signature in black ink, appearing to read "Paul Lloyd".

Paul Lloyd
State Adjutant NH VFW
