EXPERIENCE LIFE THROUGH PEOPLE

Enrichment – Continuing Education – Community Activity Projects

For: Children and Adults

***Leadership Development focused; “soft skills”, active, emphatic listening, emotional Intelligence**

Full # 7 week Curriculum (90 min sessions/ per week) – final ends in a story / poetry slam. (Middle school and above students) *Did you know 44% of students are not college or career ready do to a deficiency in soft skills* (NH Business Review)

***7 Healthy Habits for highly successful youth**

Be proactive, begin with the end in mind, put first things first, seek first to understand then to be understood, think win-win, synergize and sharpen the saw.

***Campfire Chats – cognitive and critical thinking / speaking skills**

Series for age 13 and up where students get to choose the subject matter to talk – engage in from pop culture, dreams, thoughts, personal stories, and viewpoints around a real or indoor campfire setting. Instructors encourage and facilitate a deeper more emotional inspired atmosphere for students to comfortably grow their cognitive and critical thinking and speaking skills

*** Understanding Our Body’s Mind – Emotion Connection**

A high level class, featuring insight into how key senses/organs within our body play a major role in our well being and emotional makeup. High School grade students recommended.

*** Audio Book & Scrapbook Creator**

Learn how to create, connect, and collaborate, your writings into voice & pictures.

Longfellow said it best; “The Human Voice is the organ of the soul”

Also use for journals, diaries, testimonials, scrapbooks, recipes, sermons, manuscripts, poetry and so much more.

*** Ancestry / Legacy Creator**

Great Activity for the storytellers in your life!

Share for generations; wisdom, sage advice, humor, love.

Create a Verbal Family Tree which includes all your families pictures, voice, story!

*** Artist's Promotional Activity – Podcast creator / with pictures**

Artists, Poets, Painters, Sculptors, and more...

Longfellow said it best; "The Human Voice is the organ of the soul"

Discover how to bring the power and spirit of your voice to your works of Art.

To uniquely share your passion of your creations to admirers and buyers- anytime – anywhere!

***GrandMa's & GrandPa's Kitchen Table**

What did you learn – what do you want to share.

"Never feel or be alone Again"

Community Voice Project where members of your community or church (all ages)

Come together and share wisdom, knowledge, love, humor, recipes and life's lessons learned for the next generation!

*** A Soulful Cup Of Coffee ...**

Capture Love or a Legacy over a cup of coffee (coffee house setting)

Family member or community learn basic interview techniques and use key questions to capture a love or legacy. Share their sage advice, humor, and wisdom in your personal, private, and secure family library. All to Comfort – Inspire – Teach – and Entertain for generations!

Partner with us!

We can help your organization offer and create more generational exposure, flexibility and value to your programs.

With Gratitude,
Al Brandano
